

## **Major Family Medicine**

---

### **Insurance & Billing**

Payment is expected at the time of service. We accept cash, check VISA, MasterCard, and Discover. If we are contracted with your insurance company, you will need to pay your co-pay at the time of your visit. We are contractually bound with the insurance companies to collect this at the time of service. We will then file your insurance claim; however, payment for the account remains your responsibility.

Please maintain your account with our office in good standing. Should your account become delinquent, your account may be turned over to an outside collection agency. Should this become necessary, you will be responsible for all additional expenses incurred to collect this outstanding debt and discharged from the practice.

Our billing office may be contacted with any questions at 317-421-2012.
